

# Richard Wilson The experienced and local choice for The Byfleets

## About Richard

**Richard is your hardworking and experienced candidate for the Byfleets and is well-known for the work he has done for many years, both in the Council and the community.**

Richard has lived in West Byfleet continuously since 1971 and worked for 22 years for a US Bank in Property Services and later IT, before becoming a self-employed computer engineer.

He is a Freeman of the City of London and a uniformed Scout Leader since 1971 both locally and now at County level. He remains a Governor at West Byfleet Infant and Junior Schools which his two children attended and at Heathside School in Weybridge where he is Chairman of the Local Governing Body.

He is married to Camilla who also takes an active part in the local community and is a member of the PCC at St John's Church.

Richard was a member of Woking Borough Council from 2007 to 2016

including three years as Housing portfolio holder.

In 2013, Richard was elected to Surrey County Council and sits on the Planning Committee and the Environment and Highways Board, the latter including many member working groups.

Highways has always been a passion for Richard and if elected he pledges to continue to make improvements to both the roads and pavements in our area to make them safer and better for everyone.

## Schools success in The Byfleets

Following support from Surrey's area education officers and hard work by teaching staff, all five primary schools in The Byfleets are now Good or Outstanding and give a top quality education for our local children.

Remedial work at West Byfleet Infant School continues following the recent new building work and Conservative County Councillor and candidate Richard Wilson is liaising with the school and Surrey's project managers to ensure a speedy resolution.

At Byfleet Primary School, the King's Pre-School Nursery now has a secure future on the site following very positive negotiations between Surrey, the school's governing body and the pre-school.

Richard has also been assisting public transport officers at Surrey County Council to ensure extra bus capacity for Byfleet students who attend local secondary schools.

## My six-point plan for The Byfleets

- 1 Keeping our Economy Strong for Everyone** Richard believes that the Byfleet and West Byfleet shops are at the centre of our community and will continue to work hard to keep businesses thriving.
- 2 Investment in community facilities** Richard will continue to fight for funds to improve our community facilities in Byfleet and West Byfleet for the benefit of us all.
- 3 Improving safety outside our area's schools** Richard wants to ensure that parking outside schools is safe and is working with the County Council and Surrey Police to help secure safer parking conditions.
- 4 Monitor and reporting defective street light** Richard will continue to look after the highways infrastructure in our area.

- 5 Road improvements for safer travel** Richard will continue working with officers to secure highways and pedestrian improvements.
- 6 A future for Our Libraries** Richard has continuously supported the wonderful volunteers at Byfleet Library and will also ensure the continuing presence of a library in West Byfleet.

## RICHARD WILSON My six-point plan for The Byfleets

**Excellent local services, good value for money and standing up for our local community.**
