RICHARD WILSON IS WORKING FOR BYFLEET AND WEST BYFLEET

■ During the past four years, Richard has achieved a great deal for our area. He has secured road and pavement improvements and infrastructure funds to improve local amenities.

Richard remains a passionate advocate for businesses and the community in Byfleet and West Byfleet and has spoken up for us at County Hall, protecting services and demanding value for money.

Richard is seeking your vote and the choice in The Byfleets is clear - only the Conservatives and Richard Wilson can provide us with the strong local voice we need at the heart of County Hall to get the results we deserve.

Richard said: "It is true that we are not facing the easiest of times at the moment. Government funding is reducing and we have to work within a new framework. But Conservatives will not shy away from the challenge and we will continue to meet it for the residents of Surrey and The Byfleets.

"If you re-elect me, I will continue to work my hardest for all the residents of our area."

Promoted by Simon Ashall on behalf of Woking Conservatives, both of Churchill House, Chobham Road, Woking GU21 4AA. Printed by St Ives plc, 32 York Street, Twickenham, London TW1 3LJ.

RICHARD HAILS SCHOOLS SUCCESS IN BYFLEET

Following support from Surrey's area education officers and hard work by teaching staff, all five primary schools in The Byfleets are now Good or Outstanding and give a top quality education for our local children.

Remedial work at West Byfleet Infant School continues following the recent new building work and Conservative Richard Wilson is liaising with the school and

Surrey's project managers to ensure a speedy completion.

At Byfleet Primary School, the King's Pre-School Nursery now has a secure future on the site following very positive negotiations between Surrey, the school's governing body and the pre-school.

Richard said: "I am delighted with this great result for everyone and hope particularly the children in our area see the benefits."

Action for THE BYFLEETS

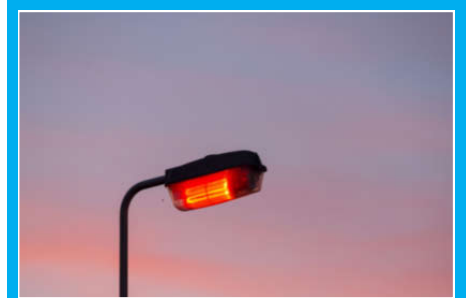

KEEPING OUR LOCAL ECONOMY STRONG

Richard is clear that our shops in Byfleet and West Byfleet are at the centre of the community and need supporting with favourable parking arrangements and by encouraging local residents to use them.

IMPROVING SAFETY OUTSIDE OUR SCHOOLS

Richard has worked to make it safer for children and parents outside schools at peak times. He has worked with County Council officers to ensure that the impact on the local area is minimised.

BACKING RESIDENTS' ON STREET LIGHTING

While Surrey County Council is switching off some street lights between midnight and 5am, individual objections to this are being considered. If you have concerns, please contact Richard and he will take these up for you.

6 Good reasons to Vote Conservative...

1 SUPPORTING OUR BUSINESSES

Richard believes that the shops in Byfleet and West Byfleet are vital and need our support. He will continue to work to help them.

2 INVESTMENT IN COMMUNITY FACILITIES

Richard would like to continue to fight for the funds some of our local facilities need in order to be upgraded and improved.

3 IMPROVING SAFETY OUTSIDE SCHOOLS

Parking outside schools should be safe and Richard is working with the County Council to secure better parking conditions.

4 RELIABLE STREET LIGHTING

Richard will argue for any concerned residents to keep their street lighting on after midnight and report any defects.

5 ROAD IMPROVEMENTS FOR SAFER TRAVEL

More highways improvements are needed in our area and Richard will work with officers to secure our fair share of the budget.

6 A FUTURE FOR OUR LIBRARIES

Richard has always supported the Byfleet Library volunteers and will work to ensure the future of West Byfleet Library too.
