

CHITRA CONTINUES TO SERVE OUR AREA

Chitra Rana has been a Woking Borough Councillor representing Goldsworth Park for the past three years and is seeking your support for his re-election on May 3.

■ **Chitra** has lived in Goldsworth Park for seven years and is a retired Gurkha Officer of many years' exemplary service, who commanded troops both on the front line and on ceremonial duties at Buckingham Palace protecting HM The Queen.

Since being elected, Chitra has been working very hard for residents on the issues that matter.

He has championed the preservation of North Meadow for the use of local residents with Conservative County

Councillors **Saj Hussain** and **Colin Kemp** and worked hard to secure the redevelopment of the Lakeview Centre.

"I am kept busy with the issues that arise in our area and want to continue to serve to the best of my ability," said Chitra.

"A lot has been achieved but I know there is more to do - I am standing to fight for the results we deserve across all of our local communities, who have taken the time to get to know me over the past few years."

CONSERVATIVE PLEDGE ON LAKERS

Councillor Chitra Rana, with County Councillor Colin Kemp, wants to see Lakers open

■ Everyone across our area was sad to learn of the damage caused to the Lakers Centre by a fire recently. The centre, which is owned by Surrey County Council, was badly damaged and will need significant investment to re-open.

The services that Lakers provided to local residents are being continued from other sites, although clearly the way that they are delivered has had to be changed.

Conservative Woking Borough Councillor **Chitra Rana** wants to see Lakers re-open as soon as possible and has called on

Surrey County Council to commit to re-opening the site as well as maintaining its current services on other sites for the time being.

Chitra said: "I think we have to see that building fully functioning again for the sake of all the residents who use it.

"Conservative Councillors are pledging to help in any way they can with the work that needs to be done to make that happen.

"We cannot allow one event to undo all the good work done at Lakers."

GREEN SPACE SAVED FROM DEVELOPMENT

Conservatives in Goldsworth Park have saved a significant patch of green space from a proposed development.

The land, in Jasmine Close, is owned by Woking Borough Council and was going to be sold off for housing. But intervention from Conservative Councillors including **Saj Hussain** and **Chitra Rana** meant that the Council

decided to re-think their plans for the site.

Chitra said: "I am really pleased that we have got the results residents wanted in Jasmine Close, despite the Lib Dems trying to get the development idea voted through.

"Residents were quite clear about what they wanted and Conservatives have listened."

CHITRA CAMPAIGNING FOR BETTER PLAY FACILITIES

Play facilities off Oakfield are way below the standard of facilities elsewhere in Woking. Although the Council has installed some recycling bins, the play equipment needs updating and we need to make the space more fun for children and young people to use.

"Residents around here and their children deserve better," said **Chitra**. "I have spoken to a number of people who would like to see this play area brought up to the standard of Knaphill and St John's nearby.

"I'm fighting hard for those improvements and will report back when I have more news."

OUR SURGERIES

CHITRA AND YOUR CONSERVATIVE TEAM WOULD LIKE TO TALK TO YOU ABOUT THE ISSUES THAT MATTER

Chitra Rana, along with County Councillors **Saj Hussain** and **Colin Kemp**, are keen to meet with residents on a regular basis.

They will be holding surgeries at Costa Coffee, Goldsworth Park Centre, on the first Saturday of every month from 9.30-10.30am. No need to book - just drop by to discuss the issues that matter to you.

Chitra said: "I hope that people will feel able to come along to these surgeries and raise issues with myself and County colleagues."
