

Dear Resident,

Thank you for your support in this year's election. Your three Conservative candidates were delighted to be elected so convincingly and it is now up to us to justify the trust that you have placed in us by working hard on the issues that matter to you.

Your Conservative team will continue to work on problem parking, particularly around schools at busy times and in the High Street. We will look to build on the success of the new community buildings in supporting voluntary groups and fight to retain the character of Horsell. In particular we are looking forward to the new building at Bullbeggars allotments, which will provide new facilities for members.
