

# Dear Resident,

Thank you for your support in this year's election. Your three Conservative candidates were delighted to be elected so convincingly and it is now up to us to justify the trust that you have placed in us by working hard on the issues that matter to you.

Your Conservative team has been working hard to deliver a better High Street and investment in our infrastructure. We want to see better facilities in Knaphill and more for young people to do. Along with Saj our County Councillor, we will also work to tackle highways and parking issues, especially near the schools. Do get in touch with us using the details below if you have an issue you would like to raise.
