

Dear Resident,

Thank you for your support in this year's election. Hilary Addison and Graham Cundy were delighted to be elected to represent the new St John's ward and will work hard to justify the trust that voters placed in the them. Of course, we were sad that Paul Smith didn't quite get in – Paul had worked tremendously hard in the Hermitage during this past year as a Councillor and had seen some notable successes.

In St John's East, work continues to find solutions to parking problems as they appear. In St Johns village we are implementing changes to the Lye car park and continue to seek additional parking spaces. We look forward to working with the community and thank you for your support. Please do get in touch.
